In 2017, the Federation of Crown Green Bowls took the decision to change the format of the junior/youth league that had been running for 12 years.

Following a successful first year, the same format was again applied this year, which I am please to say, brought the same degree of approval from all associations taking part.

Helped by some fantastic weather, spectators were once again treated to some excellent bowling by all the enthusiastic youngsters competing.

Thanks again to the help received from Roy Atkinson, the Federation were able to book the greens at Eagle & Child, Farington Conservative Club, Fox Lane, Leyland & Farington Social Club and Wymott Bowling Club.

Cheshire County joined the youth league, but Chorley dropped out and unfortunately Rochdale were unable to field a second team this year leaving the youth league with 5 associations competing.

Playing all their matches at Fox Lane, the five associations played each other once with 8 players per team and again with 4 in a team.

Like in 2017, Heavy Woollen were once again worthy champions, drawing both 8 and 4 man games with Leeds, but comfortably defeating the other teams to repeat last year's winning 4 point margin ahead of Leeds, who once again finished runners up.

With Chorley also dropping out, there were 11 entries for the junior section, so there were 2 divisions of 4 teams and a 3rd division comprising of 3. Cheshire Parks changed to Stockport & North West.

In division 1, reigning champions Leeds comfortably won all six matches to finish top on 52 points, with Furness finishing runners up 16 points behind the Yorkshire outfit.

Preston dominated division 2 winning all their matches to collect 44 points, 7 points in front of Ormskirk in second place.

In division 3, Furness 'A' overcame a 6 point first round deficit to finish 6 points in front of East Lancashire.

The feedback from all the associations that I spoke to, was that the change of format had been a success.

The Federation is the only place where youngsters can play 3 league matches in a single day and spectators can enjoy 6 hours of continues league bowling.

Most associations with junior and youth teams now are getting the benefits from it, as a lot of players make a progression through the teams to senior and in some cases county level. I urge you please, go back to your associations and see if you can enter a team, for next year, or the following year if more time is needed.

The merit competition, awarded on games won in the league matches, is still proving to be very successful.

I would like to thank all the association team managers for sending me their result sheets and players ages.

12 year old Furness player Jack Preston finished top in the **13 and under age group**, with another 12 year old Leeds player Owen Laurie runner up. Both players won 5 out of their 6 games played, with Preston having the best aggregate.

15 year old Preston bowler Aaron Hayhurst was the winner of the **14-16 age group**, winning all six games, as did Leeds bowler Aaron Brine (14) who was runner up. Special mention to Emma Tobin (Leeds) who also won all six matches.

In the **17-20 age group** it was Heavy Woollen bowler Bailey Rice (19) who took top place, which he occupied last year as well. He just pipped Leeds bowler Will Bedford (19) by the narrowest of margins after both had won all 6 games. Rice scored 126-76 while Bedford's score was 126-77.

The final tables were:-
